

ALEX ROOFING COMPANY INC.

WHO WE ARE:

Since 1965, Alex Roofing Company, Inc. has been providing quality service to both residential and commercial customers. Through the years, we have steadily grown our business by treating our customers with the respect and honest business policies they deserve. In addition, we're known as leaders in our field. You can depend on us to provide expert solutions and service.

Our Mission

At Alex Roofing Company, Inc. our Mission is to provide our industry and our community with a professional, dedicated, and service-oriented roofing company. We seek to grow and improve daily by being innovative, persistent, and driven by client satisfaction. Our intent is to provide the best roofing solution possible for each customer based upon their individual needs, budget, and time parameters.

Our Vision

We strive to be the pacesetter in our profession, known for the high quality of our work and the excellence of our people.

Core Beliefs and Values

We provide our customers with honesty, integrity, and the highest level of service that the industry is capable of providing. Our way of doing business is ethical, fair, and uncompromising. We're proud to do our best on each and every project.

The Senior Living Center (Erie, PA) consisted of metal screen wall panels, TPO roof system, aluminum composite wall, and soffit panels.

The Meadville Medical Center (Meadville, PA) was completed in late 2015, and consisted of a combined 124,000 s.f. of metal roofing, TPO roofing, 6 mm custom aluminum composite panels, and composite panels

Alex Roofing Company, Inc. completes an average of 1.5 million s.f. of quality commercial-industrial-institutional-residential roofing and metal work on an annual basis.
